

INTERNATIONAL  
METAL SOURCE

## Team IMS at your Service

*"Obtain and Maintain. Loyalty is our commitment to your future."*

**Welcome to our second Semi-Annual News Letter!**

**International Metal Source** is proud of our continuous growth with our Clients and Providers. As a result, we'd like to thank you for your support and give you an update on our current news, upcoming events, recent achievements, and steadfast objectives.

**2015-2016 Forecast**

**"Thinking of a Master Plan"**

**Long Term Agreement Contracts with Additional Services**

We are the leader in LTA contract durations while providing raw metals with add on services such as Heat Treating, Trepanning, Cutting, Mill Grinding and more...

*We will stock this on our floor readily available to you, when you need it.*

**One-Stop Shop Software**

Our Programmers and IT are working on developing software to make your job easier. Each quarter, you will receive an inventory report projecting the metals that your company will need soon based on past sales. By doing so, we will help you stay ahead of the curve and lock in lower prices based on these trends. Stand by for this exciting project!

WE ARE GOING TO MARS.

*We are proud to announce that our CEO is ready for blast off!*

**Team IMS** pleasantly introduces our new Quality Manager, Jhon Pol "JP" Orillosa. He contributes five plus years of quality assurance experience assisting Bruce Gardner (Current Quality Manager Advisor in Midwest). JP scrutinizes text and translations to assure customer satisfaction.

His former position entailed Logistic Management and Account Management where he excelled in on-time delivery and assured quality assurance of shipments and packaging.

Jhon Pol 'JP' Orillosa  
Q.A. Manager  
IMS West Coast

Now, as the new IMS Quality Assurance Manager, JP employs his technical quality assurance skills to the physical inspection of materials and documents. His goal is to steadily implement better quality assurance methods so that IMS continues to exceed our customers' expectations.

2014-2015 Awards & Certificates /

Upcoming Events & Meets

Thank you to [Marvin Engineering Co., Inc. – Inglewood, CA.](#) for presenting us a **Supplier Delegated Inspection Recognition Award** for "Outstanding on-time delivery & commitment to quality." On June 6, 2014.

**Maintain a successful audit ISO 9001:2008 and AS9100:2009 (Rev.C)**

In May 2014, **International Metal Source** once again exceeded the requirements needed to uphold our ISO 9001:2008 and AS9100:2009 certification of quality management system standard for the third year in a row.

**Go Team IMS!**

**Confidence of Excellence**

Since August 2009, we have established a loyal customer base, and we will continue to meet demands by serving high and low quantity orders with honesty, precision, and speed. As a minority and woman-owned business, our small corporation provides your order with the personal touch it deserves. Thank you all for your continuous support through the years. We appreciate all of you.

## **We Hold Our Price For Your Contract: NO P.I.E.**

Starting 2013, International Metal Source commenced stocking materials without Price In Effect. We understand the stress of calling local vendors with a critical order only to discover that material is out of stock! On top of that, some vendors revise their pricing scales due to market fluctuation. However, rest assured with IMS because we will take the chance for you. We will stock your materials on our floor, maintain the quoted price, and keep it accessible when you need it most.

Please give our Sales Team a call for additional information.

*“International Metal Source strives to be the primary source of all metal products through customer loyalty, integrity, quality excellence, and continuous improvement while establishing sustainable growth with domestic and international clients.”*
